Dear Parents,

This year, I have received requests from parents interested in travelling with the Marching Clan to Orlando. I have a few extra plane seats with the possibility of adding extras if needed. Because of this, I am opening these seats for "Parent Observers".

I am saying "Parent Observers" because there will be no duties involved with participation. These parents will not be Chaperones. They will basically be "going along for the ride".

Guidelines are as follows:

- 1) Only Parents or Legal Guardians may participate – no children or other relatives.
- 2) All meals and activities of the band will be included as a part of the package that is listed on the next page.
- 3) The listed price is for double rooms. You will need to inform me of who will be the 2nd person in your room or our travel agent will be forced to charge the single rate listed.

All the information that is available at this time is printed on the reverse. If you would like to participate, I must have the signed form along with the \$300.00 deposit by **Thursday, November 30, 2017**. After this date, I will not be able to make changes with our travel agent. If you have any questions, please feel free to contact me.

Sincerely,

William McDevitt
